

Passive Stay Solutions LLC

Corporate Housing Partner for Landlords, Property Managers & Realtors

Contact: **Daniel** • passivesellers@gmail.com

Passive Stay Solutions LLC provides corporate housing for traveling nurses, doctors, business professionals, and patients receiving treatment at nearby hospitals. Our guests typically stay from one week to several months. Our goal is to ensure your property is always well-maintained and stress-free for you.

What We Do

We partner with landlords, property managers, and realtors to lease or manage properties as high-quality furnished corporate housing. We handle compliance, weekly cleaning, and guest support to deliver reliable, low-wear occupancy.

Benefits of Working With Us

- Responsible Tenants — non-smokers, no pets, quiet professionals with demanding work schedules.
- Property Care — weekly professional cleaning; minor maintenance handled without burdening you.
- Light Use — guests often eat out and work long hours, reducing appliance and utility wear.
